

A black and white advertisement featuring a man in a suit on the left and silhouettes of four people on the right, all set against a background of a world map on a grid. The man is holding a briefcase. The silhouettes are of a man and two women, one of whom is wearing a headscarf. The text is centered in the middle of the image.

**Insight from experience. Vallon offers a network of proven senior level expertise to help manage growth opportunities and address a variety of performance management challenges.**  
*We've been there.*

We understand how difficult and time consuming it is to staff key senior level positions with the right talent and experience. The truth is, many companies face unique challenges that require highly specialized operational experience and expertise *right away*. Vallon gives you immediate access to highly experienced resources at the speed of business versus the typical speed of recruiting. We quickly provide the best-matched executive or team to

move your initiatives ahead. Whether it's on an interim or project basis, we know some of the brightest executives in business. With strategic and tactical expertise in a wide range of positions, industries and categories, Vallon resources offers proven leadership and management whenever, wherever, and however needed. Nobody is more resourceful when it comes to delivering proven operational talent. Instantly expand your network. *Call Vallon.*

That's exactly where Vallon can help.
